I can see a throne room, I can see a throne
 C D Em
I can see a King there wearing Kingly robes
 C D Em
Majesty surrounds Him, Splendour is His crown
 C D Em
Honour rests upon Him, Glory shines around

See the brightness, see the lightning, in the skies
 Am B Em
Hear the thunder, hear the roaring, from on high
 Am B Em
God is moving, God is coming, from His place
 Am B Em
God is near me, He's before me, see His face

I can see a Father coming to His child
Carrying a garment to wrap me inside
Colours from the heavens, treasures from above
Woven with his passion, woven with His love

**He has clothed me, made me kingly,
In His righteousness
With His power, He's endued me,
By His Spirit**

Heavenly encounters: often I return

For the place the King dwells has become my home
